

University of Florida | Department of Medicine  
Division of Nephrology and Hypertension  
Nephrology Clinical Case Conference

“Use of Gadolinium in CKD and ESRD patients”

Presented by:  
Osama Elhilali, MD  
Nephrology Fellow

Friday, May 27, 2022 | 12:00 pm – 1:00 pm  
ZOOM Meeting

**LEARNING OBJECTIVES:**

**Upon completion of this activity, participants should be able to:**

1. Describe the properties of different formulations of Gadolinium
2. Discuss the potential toxicities of Gadolinium
3. Discuss available evidence for safety of Group 2 gadolinium in patients with CKD and the limitations of the evidence
4. Outline when hemodialysis may be necessary to prevent toxicity from Gadolinium and strategies which can be used

**Disclosure**

Osama Elhilali, MD has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

**Accreditation**

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit**

The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Additional Information**
